

DOCUMENTA ACUSTICA

DOCUMENTA ACUSTICA is the literature distribution system of the European Acoustics Association. It distributes conference proceedings as well as books, reports and theses. It will help to diffuse information that is otherwise confined to European acoustical societies, laboratories or companies.

The prices below include mailing costs (surface mail). Allow up to 45 days for delivery after receipt of payment. All orders have to be pre-paid. Unfortunately, we can only accept credit-card payments (VISA or MASTERCARD only) or Eurochecks. You will receive a proper bill and receipt.
